

# ENCLOSED STARTER PESW-B25D15AX-R67

Catalog Number: PESW-B25D15AX-R67 | Product: 13438760

OVERVIEW

Representative Image Only

WEG enclosed starters series were designed to meet the requirements and flexibility frequently demanded in industrial applications. Featuring components that meet IEC design standards and UL horsepower ratings, WEG enclosed starters are UL508A approved and cULus certified. This means your panels will fulfill the rigorous requirements of UL508A and will have the quality and performance as for all WEG products.

### Product features

|                             |                    |                           |             |
|-----------------------------|--------------------|---------------------------|-------------|
| Start Type                  | Direct Three-phase | Rated operational voltage | Ue<=600V    |
| Assembly method (start key) | Plastic Crate      | Control voltage           | 120V50/60HZ |
| Reference                   | PESW               | Degree of protection      | TYPE4X      |
| Maximum Power Rating        | Not applicable     |                           |             |
